Following on from the previous articles is a further article which goes into considerable detail and structure regarding the Satanic and demonic realm.

This article is apparently based on debriefing of converted high level Satanists.

The article was obtained from

http://www.moodymanual.demonbuster.com/demonich.html

Witches and Satanists are not necessarily reliable sources of information because of death oaths they swear not to disclose what really happens and these can continue even after they have had a dramatic conversion experience if they are not fully sanctified and cut off from their past.

Nevertheless it is my understanding that this article contains useful information and is particularly comprehensive.

It is strongly recommended that you read this article.

What is particularly important is to understand the hierarchy:

1. Satan (commander-in-chief)
2. Thrones
3. Dominions (lordships)
4. Principalities (rulerships, princes)
5. Powers (authorities)
6. Rulers Of Darkness Of This World
7. Spiritual Wickedness (wicked spirits) In High Places (heavenly places)
The word demon is applied to fallen messengers {angels} in places even though the article clearly distinguishes between messengers having the ability to travel and having their own bodies that can manifest versus demons being disembodied spirits which is the correct distinction as I have it.

There are things that I do not agree with but, as usual, I leave you to pray about it and sift the wheat from the chaff.

Father, I ask that as we read what follows you will blow away by your Spirit all that is NOT according to your will and your ways, please blow away all lies and deception and leave only that which is from you, I ask this in the name of Yahooshua.

There are other spiritual beings in the heavenly realms which may be godly or ungodly: Archangels (ruling angels), Angels, and Shedhim (rulers or lords) and Seirim (he-goats or hairy ones). Demons seek a body to inhabit. Angels can appear in bodily form. **We petition GOD to deal with spiritual beings in heavenly realms and remove evil beings with levels of authority under them.**

LEVELS OF SPIRITUAL WARFARE

(Informed Intercession)

Definitions

Spiritual Warfare: Conflicts with demonic strongholds and moral deception that require spiritual weaponry and armor.

Warfare Prayer: Application of strategic-level spiritual warfare to evangelistic efforts. An uprooting of prevailing spiritual strongholds that hinder the Gospel.

Ground Level: Ministry activity with individual bondage and/or demonization.

Binding The Strongman: Neutralizing the deceptive hold or enchantment that demonic powers have achieved over human subjects so that the latter can process truth at a heart level.

Occult Level: Intercessory confrontations with demonic forces operating through satanism, witchcraft, shamanism, esoteric philosophies and similar occult activities.

Strategic Level: Intercessory confrontations with demonic power concentrated over given cities, cultures and peoples.

Territorial Spirits: Demonic powers that have been given controlling influence over specific sites, peoples and areas. The belief in such hierarchal arrangements is culturally widespread and often involves protective deities linked to homes, temples, clans, cities, valleys and nations.

Principalities And Powers: Demonic agents and structures that exert deceptive control over co-conspiratorial human political kingdoms and systems.
**Rulers Of Darkness Of This World:** Demonic forces involved in deceptive and destructive manipulation of natural elements and systems.

**Strongholds**

**Strongmen**

**Territorial Spirits**

**Principalities And Powers**

**Rulers Of Darkness Of This World**

**Other Definitions**

**Principalities** - forces and dominions dealing with nations and governments; high-level satanic princes set over nations and regions of the earth; commanding generals over Satan's fallen army.

**Powers** - having authority and power of action in spheres open to them; supernatural and natural government; high ranking powers of evil.

**Rulers Of Darkness Of This World** - governing the darkness and blindness of the world at large; operate within countries and cultures to influence certain aspects of life; governing spirits of darkness.

**Spiritual Wickedness In High Places** - forces being directed in and upon the CHURCH OF JESUS CHRIST in wiles, fiery darts, onslaught and every conceivable deception about doctrine which they are capable of planning; the many types of evil spirits that commonly afflict people; the collective body of demon soldiers comprising Satan's hordes.

**There are three levels of strongmen:** rulers over principalities or wide geographic areas on earth; rulers over people, churches, families, communities and other specific groups or individuals; and rulers who dwell within people. Principalities are ruled by princes, also called strongmen. These are the gods and goddesses of the underworld.

SATAN, FALLEN ANGELS AND DEMONS

There is **Satan** - one individual not omniscient, omnipresent or omnipotent like God.

Heb. 12:22 **too innumerable** (myriads, countless, indefinitely large numbers, enormous, multitudinous) **hosts of angels**. Rev. 5:11 calculates **at least** 101,000,000 total angels. Rev. 12:4 calculates **at least** 33,700,000 fallen angels. There are **many** millions of fallen angels.

We only cast out demons in Christians and find they have many demons. If the world has billions of people and Christians have many demons, then there must be multiplied billions of demons.

**Demons may have come from a Pre-Adamic Race** but there is no scriptural reference that can be found to prove where demons came from conclusively. Demons say that they are demons and not fallen angels. They do not have to tell where they came from apparently.

Some interesting scriptures are Matt. 25:41, II Peter 2:4 and Jude 6. There is no indication that angels are demons.

Satan is **Chief of Staff** of his army. The fallen angels are his **officers**. The demons are his **soldiers**.

We cast thousands of demons out of a man during a year by working with him weekly. The demons freely talked and gave us information about their rank and number. **One demon said that a person could have thousands of demons.** Early in our deliverance ministry, I would write this information down. A Christian can have a legion of demons.

Druids revered the faeries, gnomes and undeines which are types of demons.

**Satan (Chief of Staff)**

**Hosts of Angels**

**Faeries, Gnomes and Undeines**

**Satan, Lucifer, Devil**

Devil means accuser or slanderer. The chief of the fallen angels is an archangel who has at least forty names given in Scripture: **Satan, Lucifer, Devil**, Abaddan, Accuser Of Brethren, Adversary, Anointed Cherub, Antichrist, Apollyon, Beelzebub, Belial, Charmer, Condemner,
Covering Cherub, Crooked Serpent, Day Star, Deceiver, Destroyer, Great Red Dragon, Enemy, Evil One, Father Of Lies, He Who is in the World, King, Leviathan, Liar, Murderer, Oppressor, Roaring Lion, Piercing Serpent, Son Of The Morning, Tempter, Thief, Wicked One, Wolf.

Angel of the Abyss, Angel of Light, Authority Of Darkness, God Of This Age, God Of This World, Prince Of The Power Of The Air, Prince Of This World, Ruler Of Authorities Of Air, Ruler of Demons, Ruler Of This World, King Of Babylon and King Of Tyrus.

The Chain Of Command In The Demonic Realm (Excerpts)

Demons are very conscious of authority and adhere slavishly to the chain of command and the line of authority structure. There are Chief Kings and Chief Princes, and under them are Kings and Princes who rule various geographical and spiritual areas. There are kingdoms, principalities, dominions and powers which are administered by Kings and Princes. Each state in the United states is ruled over by a prince. Louisiana is ruled by Southern Curses.

A General is in charge of a Legion (6,000) while a Prince will control a number of Legions. A Ruler or Captain commands a Cohort (600), and there can be Chief Captains and Chief Rulers with still more authority. A Centurion controls 100 demons; if he controls less than a hundred demons he is called a Strongman.

Any demon in authority will direct how many, when and where pain spirits are to attack, and how sustained the attack is to be. These pain spirits are called Imps by those in charge.

Because of the rigid authority structure, a wise move in dealing with spirits is to bind all spirits, especially ruling ones and ones of Violence, Fighting and Murder.

The control of a geographical area seems to rest on the success of a prince in controlling the majority of the persons within that place. It also has to do with the ferocity and power of that prince.

THE SATANIC COSMOS (EXCERPTS)

In the Scriptures, both holy and unholy spirit beings are designated as angels. Usually the unholy angels are referred to as demons, translated in the King James Version as devils. (Demons would talk to Win Worley.)

Demons in vast numbers constitute a part of Satan's hierarchy and fight in his army. They degrade the bodies they invade and possess, whether of animals or men. (Animals need deliverance too. We have done deliverance on our farm animals.)

This influence is exercised both to mislead the unsaved and wage an increasing war against the believer. Thus commenced the fierce battle between Satan and God for the control of the human beings God put on earth in the re-creation. (What was on the earth before Adam and Eve?)

The super angel continued to invade the affairs of men. By the time of Noah, he had managed by supernatural power to infiltrate the human race with angelic creatures who somehow took the bodies of humans to father monstrous hybrid offspring, half demon and half human.

Most demons will concede that they will eventually go to the pit, but they emphasize that is is not time yet and they do not want to talk about it. They fear and dread the pit and its consequences.

There can be very little doubt that the demons do have a highly organized empire of evil. Satan's description is the one who deceiveth the whole world. Behind the facade of religious life, there is a spiritual battle raging. There is fierce conflict today; there are those who do not wish to pass this way.

In brief, the Church of Christ will reach its high water mark when it knows how to (1) bind the strong man by prayer, (2) command the spirits of evil in the Name of Christ, and (3) deliver men and women from their power.

There are spirits from the heavenlies deliberately intervening to strengthen and reinforce embattled spirits in a person. The most powerful are those in the heavenlies charged with the overall direction of Satan's program.

There is a bottom division to which demons refer. The middle division seems to encompass those demons whose job is to gain entrance to mortal bodies. The top division of the demonic hierarchy supervises and closely monitors activities in the lower ranks without violating any of the ground rules in Scripture.
Entirely due to the stupidity and ignorance of the believers, dividing and sowing suspicion among the believers, is an astoundingly effective tool - 90% successful!

Three different places are Gehenna, Hades and Tartarus. Gehenna refers to Hell, the final abode of the wicked dead. Hades refers to the temporary abode of the wicked dead.

Tartarus refers to some of the fallen angels who sinned at the time of the flood and were sent to their temporary prison house. Demons fear this place exceedingly and tremble. They say it is dark, filled with black flames, inhabitants are bound by chains, cannot communicate with each other, and it is a horrible place filled with misery.

Two thirds of the heavenly host remain loyal to the Lord God, giving us a two to one angelic majority. There is a realism of loosing spirits from the Lord to operate in your life and the lives of others. There are spirits named in the Old and New Testaments.

In the Old Testament, look up the words: angel, charmer, dead, devil, divination, enchantment, familiar, giants, leviathan, magic, necromancy, Satan, serpent, spirit, witch, wizard and references to the giants: Anakim, Avim, Emim, Horim, Nephilim, Rephaim and Zamzummim.

In the New Testament look up the words: angel, Antichrist, Beelzebub, Belial, darkness, devil, demon, dragon, lion, Satan, serpent, sorcery, spirit, tempter.

ANGELS OF LIGHT, POWERS OF DARKNESS (EXCERPTS)

Try mentioning angels, demons or the Devil. You will be quickly appraised for signs of pathological violence and then quietly shunned. The Roman Catholic Church has reaffirmed its traditional teaching on the existence of angels, including personal guardian angels and
demons. The reemergence of teaching on angels in Christian churches runs parallel to the rise of New Age angels in the neo-pagan revival of the secular culture. Pentecostals have long taught the importance of the discernment of spirits and exorcism.

Classical tradition on the fundamental truth about angels: they exist; they are spiritual; they are creatures; and some fell of their own evil will; and wage war against humanity. Angels are merely God's helpers.

Even Satan serves God's glory against his will. Because with the bridle of his power, God holds him bound and restrained. He carries out only those things which have been divinely permitted to him. He obeys his Creator because he is compelled to yield him service wherever God impels him.

Demonic gargoyles decorated churches and cathedrals. Popular Protestantism flirted with fears of witches, epitomized in the tragic Salem witch trials. **Angels and men are sufficient to stand, yet free to fall.** Classical tradition is seeing Satan's fall as an unprovoked act of pride.

Evangelicals believe in the existence and activity of angels on the word of the Bible alone. Angels are often mistaken for men. **Michael and Gabriel** seem to have distinct but equivalent functions in the Book of Daniel as warrior and revealer of mysteries, respectively. Devils are condemned forever.

Satan is the ancient serpent, the perpetual accuser and the murderer of the saints. He is revealed in an unholy trinity made up of the mythical accuser (dragon), the **Antichrist** (beast) and the spirit of false religion. Satan is the hostile opponent. A fall presumes Satan's prior residence in heaven with the angels.

There are angels and demons. **Angels have bodies; demons seek to enter other bodies. Satan is Prince of Demons.** God bound the fallen angels in **Tartarus** that cohabited with human women. The demonic spirits of their gigantic offspring may be the demons of today. The ancient world was well acquainted with unclean demonic spirits. (There are spirits of incubus and sucubus which have sex with women and men.)

When did evil begin and where did it come from? Satan is a liar and murderer **from the beginning.** Worship of gods is the worship of demons. There is an organized kingdom of Satan which afflicts the human race at every level of personal and social life. Demons are not heavenly beings; they are associated with death and the underworld. The churches have their own angelic representatives. Some of these angels may have fallen from heaven in primordial times and then been reduced to demons. (There is a godly and ungodly angel assigned to a church.)

Pentecostals and charismatics say that believers as well as non-Christians may be **demonized** and require exorcism. This is a seesaw battle between the sons of light and the sons of darkness. There is the great universal spiritual war between Good and Evil. God has assigned a personal guardian angel to each believer. (I ask God to assign twelve legions of angels to protect me.)
We are dealing with gods and angels, Satan and demons, and principalities and powers. Angels exist as well as Satan, demons and powers. Principalities and powers may be called angels on the way to ruination.

The refusal to deal with the good and evil spirits has weakened the church and its witness. Just when the enemy is making a great counterattack, we start forgetting we are on the battlefield at all. It is amazing how quickly the Church has fallen away from the faith, become accursed, bewitched and under a spell. This is very predictable as part of the cosmic battle for their souls. Christians are in bondage to beings that are no gods...weak and beggarly elemental spirits. Angels are guardians and guides of God's people in both Old and New Testaments. Satan, the God Of This Age, disguises himself as an angel of light. The world is filled with devils threatening to undo us.

THE SEVEN OCCULT KINGDOMS

(_occult Grand Master Now In Christ)"

Preface

There are seven occult kingdoms in the universe, which are the kingdoms of Satan and the fallen angels. There are various planes, zones, realms and centers as well as deities, gods and lords. The Five Cosmic Seals (occult levels) are the universal summary of the 400,000 categories of occult initiations, powers and demons (Astrometaphysical operations). There are male, female, neuter and mermaid spirits (demons or Cosmic Forces).

There are occult Esoteric Metaphysics (the secret and most confidential aspect of occult teachings) and Mystical Sciences practiced by mystical adepts, Living Grand Masters. This is the cosmological verdict of the Order of Astral and Terrestrial Hierarchy universal occult
recognition. Exoteric is public occult teachings. An Adept uses the Technique of the Master. Hell is called After-Life-Hallucination. There are entities, spirits, demons, demi-gods, Archangels and other names for the evil beings. A Guru is a Spiritual Master.

Seals

The Five Cosmic Seals are five occult levels: Level 333, 666, 999, 1330 and 003 operating 400,000 minuet mystical degrees.

First Cosmic Seal: (Devic Seal 333) One who has received this Cosmic Seal is empowered to control not less than 40,000 spirits.

Second Cosmic Seal: (Seal of Kal 666) One who has received this Cosmic Seal is empowered to control not less than 160,000 spirits. Many great politicians, military commanders, etc. on earth are at this occult level of operations. This will be the occult level of the coming Antichrist.

Third Cosmic Seal: (Shiva Seal 999 - Seal of Destruction) One who has received this Cosmic Seal is empowered to control not less than 2,500,000 spirits which depends on the mastership of one's occult and psychic projections. Women are generally kept at this level with a few women exceeding this level.

Fourth Cosmic Seal: (Terrestrial Seal 1330 - Seal of Ba-Vara) One who has received this Cosmic Seal (Living Grand Master of the Order of Astral and Terrestrial Hierarchy) is empowered to control not less than 100,000,000 spirits and 33,000,000 demi-gods.

Fifth Cosmic Seal: (Liber 003 - Seal of Tuzassotama) One who has received this Cosmic Seal is mystically empowered to proclaim himself as "God, Lord, Universal Master or God- Incarnate" on earth and he controls all spirits of the occult kingdoms.

Occult Kingdom Of The Earth (First)

There are ten major zones of spiritual operations of the forces of darkness ruled by "Guardian Angels - Arahatha": Gobi desert around Afghanistan, Agam Des in Tibet, Himalaya Mountains in India, Forest of Slurping in India, Vrindavan City in India, California in United States (ruled by Seth), Ibadan City in Nigeria, Jerusalem in Israel, Tabuse in Japan and around the pyramid of Egypt. The Devic kingdom is ruled by a female Archspirit Seraphim Visel living in a spiritual city called NU located in Iran. (Notice the zones in India and Tibet.)

Within each of the zones, there are 127 occult regions or 1,270 regions total ruled by demon Earth Masters which project the metaphysical powers to sustain secret societies, churches and religious movements for the operation of witchcrafts, esoteric and related metaphysical forces. Within each of the occult regions, there are 3,000 occult centers or 30,000,000 centers total of Elemental Forces ruled by Gomes (Supreme Elementals) operated by mystical AUM Vibrations (Mantra sound vibrations). Within each center, there are millions of Elemental Spirit demons.

Water Occult Kingdom (Second)
There are five planes or zones: Lumani, Banni, Lemuria, Gamma and Atlantis. Within each zone, there are 220 regions or 1,100 regions total ruled by a Pritha. Within each region, there are 2,000 occult centers or 440,000 centers total ruled by a Huna Supreme Mermaid controlling millions of mermaids and water demons. Banwar Kingdom is ruled by Archspirit Lord Kaliya (neither male nor female) living in an occult city Gupha located in the Bermuda-Triangle (Zone of Death). Each of the five zones has a male great demon ruling it (demi-god with four hands).

**Occult Kingdom Of Fire (Third)**

There are millions of mighty dark angels of death. Within this realm, there are two major planes. The first plane, Anda, has innumerable courts guarded by Gnomes (subterranean spirits) ruled by Archangel Ahankar. The second plane is a strange plane of punishment ruled by Archangel Chita (The Lord of Fire) made for some of those who are physically dead on earth). Yamalok kingdom is ruled by Archspirit Lord Naga (Lord of Death and Punishment) controlling millions of mighty dark angels of death.

**First Occult Kingdom Of The Air (Fourth)**

Within the Astral Kingdom, there are 900,000,000 zones and planes ruled by Archspirit Lord Sagna, a Deva (Guardian Spirit) in control of billions of Yansdavas (demons of the air) and millions of Devas and Devatas (male and female Guardian Spirits) in the city of Sahasra. There are billions of demons and millions of "Guardian Spirits". Lower Astral Kingdom is made up of 26,000,000 planes. In many religions of the world King Elam, second-in-command, is being worshipped as "God".

**Second Occult Kingdom Of The Air (Fifth)**

Within the Terrestrial Kingdom, there are 33,000,000 demi-gods ruled by Archspirit Bavar. Within the kingdom, there are two major "Grand Divisions". Grand Division Casual World is ruled by Archspirit Lord Gotamy. Grand Division Etheric Heaven is ruled by Saint Goo-Ling using advanced manipulation which one can not detect except after one's deliverance by the Living Power of Jesus Christ.

**Third Occult Kingdom Of The Air (Sixth)**

Within the Azura Kingdom, there are several planes, regions, sub-regions, zones, etc. ruled by Archspirit Sat Kumara. Every mystical art, wisdom or craft born in Azura is projected to the other five kingdoms. There are millions of mighty spirits called Guardians of the Flame (Abhidevanadas).

**Fourth Occult Kingdom Of The Air (Seventh)**

The Kalami Kingdom is the highest of all and is ruled by Satan. Here one attains the ultimate perfection of mysticism and esoteric power which is proclaimed to be the state of "God Consciousness".

Satan
Satan, the Devil, Archangel Lucifer, that old serpent and anointed cherub is called Chitanam who deceived one-third of the angels, cherubims and seraphims in Heaven. He wanted to sit on the mount of the congregation in the sides of the north (Mount of the Assembly far in the north of the highest heavens) and be like the Most High. He showed our Lord Jesus Christ all the kingdoms of the world (the seven occult kingdoms) in a moment of time. Lucifer is revealed as a great red dragon with seven heads and ten horns forming the seven occult kingdoms.

**Conclusion**

The battle is great but it is being fought in the spiritual realm and what we see in the physical realm is simply the manifestation of what is taking place in the spiritual realm.

This article seems to me to be most comprehensive and to contain more than you need to know other than that these things in fact exist and that by ignoring them you are in great danger.

We wrestle NOT against flesh and blood.

We must each pray appropriately, renew our minds with the Spirit of Yah, fast regularly and draw close to Yah for that is where our salvation lies.

May Yah bless you and keep you and make His face to shine upon you and give you peace.

* Words in curly brackets {xxx} are words which are commonly used but technically incorrect. Some of these words are simply incorrect, others like God, the LORD, Jesus are abominations in the sight of the Almighty Creator which He has, in His mercy tolerated up to now but for which grace has now been withdrawn.
